

Marine Biology

Activity Schedule March 2020

Meet our Marine Biologist

Speak to Peter at Beach Club to find out more about our local marine life and the best spots to enjoy snorkeling on our House Reef

Tuesdays,
Wednesday &
Thursdays from
2:00 to 4:00 PM
Venue: Beach Club

Coral Planting

Add rescued coral fragments to our growing coral nursery by planting your own and then swimming it out to the nursery.

Tuesdays &
Thursdays at
4:30 PM *
Meet at Beach Club

Evening Marine Biology Presentation

Join Peter at Breeze for an informative presentation on the natural history of the Maldives and local marine life.

Fridays at
7:30 PM
Venue: Breeze

Go Green Fridays

Join our staff for an environmentally-themed activity every Friday afternoon. Speak to Peter to find out more about each week's activity.

Friday at 3:00 PM *
Meet at Beach Club

* Requires advance booking (spaces are limited) and is weather-dependent
